MEMORANDUM FOR

The Secretary of Defense
The Director of Central Intelligence

SUBJECT: WSAG Decisions

At the meeting of the WSAG on February 23, 1973, it was decided that:

- CIA and DOD will prepare a comprehensive and detailed report on ceasefire violations to be submitted each Monday, beginning February 26, 1973. It will list enemy personnel and equipment/ supplies which have (a) entered South Vietnam since January 27, or (b) entered the pipeline since January 27. It will also describe in detail enemy ceasefire violations which occur in South Vietnam. Differences of information or interpretation between DOD and CIA will be clearly identified.
- Based on information on violations in the foregoing report, CIA and DOD will assess enemy capabilities and intentions. Differences of information or interpretation between CIA and DOD should be clearly identified. This report will be submitted by c. o. b. March 1, 1973.
- CIA will report on the various Khmer Communist groups. This paper will encompass: an assessment of who controls or influences each group, a description of each, including an evaluation of its capabilities, and an estimate of the intentions of each group. This report should be submitted by c. o. b. March 1, 1973.
